BATSON
1810 wimborne settlement examn HY of wimborne aged 71 now.
HIS FATHER first took him to NFLD in 1748 when he was 9
(w was his father Bernard,) (SEE ALSO BESTON name)

Dated the 19th of January, 1810, the examination of Henry Batson. He's about seventy years old, was borned in Wimborne. When he was about nine years old, his father took him to Newfoundland where he remained about nineteen years. He then returned to Wimborne and stayed with his friends for six months and then returned to Newfoundland where he continued until June last, and he again returned to Wimborne, where he has been ever since. Signed Henry Batson, (Beston?)
