1756 21 aug farley journal JN capt SARAH GALLEY lond-ancona wrote off sardinia 21 jul on 19th in morning chased by ship which hoisted english colours but we took her to be fr cruizer and prepared to engage. about 1/2 past one came within gun shot she hoisted french colours and fired - engagement very warm till past five when she bore away "and having advantage of us in sailing she got off" she plyd us very smartly with her small arms; we found several six pound shot in our sides and 14 lodged between two gun ports. she mounted 18-6 pdrs and was full of men amongst whom we must have made a great slaughter. we had but 36 men but not one of them killd or wounded
