R HILLMAN CUTTEN

PITTMAN, WILLIAM P-140

On all sides of my family I have connections with the Pitmans so I am naturally interested in them. I note in your records that a Wm Pitman of Lamaline boatkeeper was appointed a constable in 1812. He was my great great grandfather. The Pitman referred to by Bishop Field in 1849 was Thomas (wife Elizabeth). They were apparantly the two original Pitmans at Lamaline and from what I can determine came from Crewkerne Somerset. A brother of Thomas' went to Trinity and I assume he was the William referred to by Professor Seary.
