Buttall

1780 3 jun farley journal news friday the KING GEO pteer 22 guns of exon arrived
at exmth in a shattered condition having been out ever since midsummer and
was supposed to have been lost as not account has been heard of her for some
time since. A few leagues w of scilly she met with a 22 gun fr frig , engaged
her for 6 hours and obliged her to sheer off. the King Geo was badly mauld in her
sails and rigging and received 8 shot between wind and water. Capt Buttall received
3 musket shots in his tigh and had 10 men killed and 29 wounded
