Copied from tombstones located
in Old Perleean cemetery.

In memory of
James Goby
who was a native of Christchurch
in England
and after officiating as a pastor
to the church here for 27 years
died the 16th Janry. 1852

Goby Goby Goble
Horder Heilder. Heider
Picks Pike

That is the period between
1785 to 1812 he evidently
~~was~~
was a successor to John
Hoskins who was a teacher,
preacher there from 1772
for a number of years.
I have not seen any reference to
James Goby, work in any Wesleyan
Methodist histories etc
