met 10 gun us pteer who fired 2 shots wehoisted our colours and gave
him a shot fm one of our stern chase, having hoisted two of our guns on
the qtr deck for that purposes, at the same time making all the sail
we could, the pteer coming up but slowly and keeping a constant firing
with her two bow guns, which we returbed as fast as possible. We thought
she intended to board us upon which we got all our guns over to the
lee side, and gave them all at once which made her hegrave about to
repair her rigging for a few minutes, and thence grave chace again
but night coming on we altered our course and saw her no more.
